7-Day HM Detox*

Promotes Healthy Response to Environmental Heavy Metal Toxicity*

NuMedica's 7-Day HM Detox* program is a powerful combination of three nutritional formulas and dietary guidelines targeted to support healthy removal of toxins from the body.*

Dual-Tox DPO® - designed to support balanced activity of the body's Phase I and Phase II detoxification processes.* It has been formulated to contain select ingredients, Dual Phase Optimizers (DPO), to enhance the activities of hepatic detoxification enzymes and support healthy detoxification pathways.*

HM Protect™ - an exceptional formulation of antioxidants, minerals and nutrients designed to support a healthy response to environmental heavy metal toxicity.* Key ingredients have been included for their role in supporting the metabolism and detoxification of heavy metals.*

ProGI Soothe™ - an easily digestible dietary supplement with well-tolerated rice protein, providing whole body support including comprehensive Phase II hepatic detoxification along with gastrointestinal restoration and elimination support.*
