

## Leaky Gut — Even the Smallest Leak Can Lead to a Sinking Ship

Almost all chronic conditions can be linked back to leaky gut. A permeable gastrointestinal lining allows for easy passage of poorly digested food, pathogens, and toxins into the bloodstream. The result is an unrelenting inflammatory response that can lead to system-wide distress.

### **NEW!** Leaky Gut Homeopathic!

Leaky gut can cause symptoms that are both local and systemic. Our **Leaky Gut Formula** contains several remedies to temporarily relieve the symptoms of GI discomfort, as well as the unbalanced inflammatory activity, brain fog, joint pain, food sensitivities, and mood disorders that may arise from intestinal hypermeability.

**Leaky Gut Formula** may be recommended for patients experiencing symptoms related to:

- Chronic GI discomfort including gas, diarrhea, flatulence, and bloating
- Food sensitivities or upper respiratory allergies
- Joint and muscle aches
- Brain fog, low mood, or fatigue
- Autoimmune or unbalanced inflammatory activity
- Nutrient deficiencies or malabsorption
- Symptoms related to candida or parasites
